How to complete the logic model:

Problem	VISION	MISSION	STRATEGIES	INPUTS	ACTIVITIES	OUTPUTS	OUTCOMES
<p><b>Briefly describe the problem that your NPO is trying to solve.</b></p>	<p>Insert the vision statement from your strategic plan</p>	<p>Insert the mission statement from your strategic plan</p>	<p>List the strategies from your strategic plan</p>	<p>List the resources that will be needed to carry out your strategies, including:</p> <ul style="list-style-type: none"> <li>• People within your NPO</li> <li>• Volunteers</li> <li>• People from other organizations</li> <li>• Specialized equipment or materials (computers, vehicles, etc.)</li> </ul>	<p>List the major activities you will carry out to implement your strategies. (You will define strategies in more detail when you develop your Action Plan)</p>	<p>Outputs are the tangible results of your activities—the accomplishments that you can immediately point to.</p>	<p>Outcomes are the changes that result from your activities. They are the longer-term impacts that your activities have on community you serve.</p>
